## PTAC DISINFECTION

**with \$0 Upfront Cost and just  
\$10 / month per room**

Our Purge Virus team is pleased to provide multiple solutions that include UV light, Photoplasma, and Bipolar Ionization. Our Bipolar Ionization solutions have been well received, because in addition to helping to prevent the spread of COVID-19, they also remove odors from sources such as tobacco and cannabis.

PTAC Units: A Packaged Terminal Air Conditioner is the ubiquitous type of self-contained heating and air conditioning system commonly found in: Hotels, Motels, Senior Housing Facilities, Hospitals, Condominiums, Apartment Buildings, in addition to add-on Rooms & Sunrooms.

**WE DON'T MAKE PTAC UNITS...WE RETROFIT THEM TO DISINFECT INDOOR AIR!**

Let us know the manufacturer's name and model # of your PTAC Units. From there we will provide you with a free assessment. The average cost of equipment and installation per room is coming in at \$550-\$650. We also offer zero upfront cost financing over 3-5 years, bring costs down to as low as \$10 per month per room.
